

Place a symbol on the front of each card. Print on cardstock or heavy paper.

emergency

hurricane

prepared

shelter

A hurricane is a large storm with heavy rain and strong winds.

An emergency is a dangerous situation where you need help.

A shelter is a place where you can stay safe.

When you are prepared, you are ready.

Flip-over the printout from "Flashcards - Front" page and feed it back through the printer, and print this page the reverse side.
